

Tour of Suffield

Total Distance: **30.5 miles**

Elevation Gain: **974 feet**

Degree of Difficulty Index: **974 ft / 30.5 mi = 31.93 ft/mi**

Terrain: **Flat to rolling**

Killer Hills: **None**

Geographical Region: **North Central Connecticut**

City/Town: **Suffield**

Starting Location: **Suffield Village parking lot on Bridge Street near the intersection of Rtes. 75 & 168 in Suffield**

Ride Description: **This mellow ride meanders around through much of Suffield, briefly cuts into Southwick, MA and features a great (suggested) lunch/snack stop at Sunrise Park. After visiting the park you'll see more of Suffield's countryside while also getting some interesting views of the Connecticut River.**
