

## **Marian's East Windsor to Somers Ride – revised starting location**

Total Distance: **32.8 miles**

Elevation Gain: **810 feet**

Degree of Difficulty Index: **810 ft / 32.8 mi = 24.70 ft/mi**

Terrain: **Flat to Rolling**

Killer Hills: **None**

Geographic Region: **North Central Connecticut**

City/Town: **East Windsor**

Starting Location: **East Windsor H. S. Rt. 5 & Tromley Rd. in East Windsor**

Special Directions: **Take I-91 Exit 44 onto Rt. 5 south. Follow Rt. 5 south for 1.1 miles. Turn right @ traffic light into East Windsor High School parking area.**

Ride Description: **This is a pleasant ride over rolling terrain (there are a couple modest hills) through sections of East Windsor, Ellington, Somers and Enfield. Much of the ride is through open spaces devoted to dairy and small farms with roadside stands, nurseries and tobacco fields...very pretty scenery. There is a nice lunch spot in Somersville overlooking a mill pond and dam.**

Facilities and *Points of Interest*:

<b>Mile</b>	<b>Facilities - <i>Points of Interest</i></b>
8.0	Going straight here leads 0.2 mile to Ellington green with convenience store and restaurant
19.1	Somersville: possible facilities in the area
19.7	<i>Beautiful fenced horse farms both sides of road</i>
